Dear Julie

On behalf of the 'Finding the Cure for DM Foundation, I would like to thank you and the 'CollieLife' members so very much for the very kind and fantastic donation of £900 to the UK DM Fundraisers group, raised in your recent 'Photo Competition' in memory of your beautiful DM pup Tei and other dogs in your breed group affected by DM.

This wonderful gift will help us continue our mission for our faithful companions, who fight or have fought this dreadful disease.

It is only through support like this, that we are able to continue to fund research; support owners and their dogs with DM and continue to help bring awareness to Canine Degenerative Myelopathy.

We hope you will continue to follow our organisation and join us in our fight for a cure for Degenerative Myelopathy. We can only do this with your help.

Thank you and your members again for your much appreciated support .

Most sincerely,

Kathryn Everson
