The Kennel Club press office ensured that the important message of puppy buyers going to a responsible breeder to buy their puppy was to the fore in early September during the Kennel Club’s annual Puppy Awareness Week (PAW).

This year the campaign centred around recent research which has revealed that, on average, people are more likely to buy a puppy on impulse than a pair of shoes. A very sobering thought indeed.

This research is a wake-up call for anybody who cares about dog welfare as a rather terrifying picture is emerging of a nation of people who are careless when it comes to choosing where and how to buy a dog, and who feel clueless about where they would begin, if they were to attempt to do this responsibly.

The result is puppies with all manner of health and behavioural problems being sold via the internet, pet shops or social media to people who don’t know the true background of the pups and who pay the price in veterinary bills and heartache.

Global Event

Huge congratulations to everyone who competed at the Kennel Club International Agility Festival, which took place on 10th-13th August at Rockingham Castle, Market Harborough.

More than 3,000 fit and happy dogs from 20 different countries took part in the festival, which is the world’s largest agility event.

The festival, which is kindly supported by CSJ Specialist Canine Feeds, welcomed all dogs at all levels of experience in agility, from Pomeranians to Great Danes, and competitors from all over the world. Olympia stakes

Competitions included the Championship classes, where top graded dogs could compete to qualify for the Agility Championships held annually at Crufts. A Special International Class enabled handlers to qualify for the British Open Final, which is also held at Crufts. The quarter and semi-finals for the Kennel Club Olympia Agility Stakes saw handlers secure a place for the prestigious competition held at the Kennel Club Olympia Agility Stakes in December.

Caroline Kisko, Kennel Club Secretary, said: "The International Agility Festival is a big highlight of the agility calendar and we are so pleased that it was again such a huge success. The festival is a great event that caters to all levels of experience.

"We would like to thank everyone who made it such a great event, especially those competitors and judges who travelled hundreds of miles to add to the international flavour of the competition."

Ceri Rundle, Managing Director of CSJ Specialist Canine Feeds, said: "Huge congratulations to all winners at the Kennel Club International Agility Festival 2016, it was another incredible event and CSJ are very proud to be sponsors of the festival. The standard of competitors seems to rise year on year which is fantastic to see. We wanted to say a massive thank you to all organisers, helpers, handlers, dogs and visitors who helped to make it such a positive, friendly and successful event."

Search for top dog training instructor

Following the overwhelming success of the inaugural Kennel Club Accredited Instructor Scheme (KCAI Scheme) Trainer of the Year Awards, the search has begun for the 2017 winner.

Last year 35 KCAI trainers were nominated for the award from almost 500 supporters who passionately believed that the nominee truly made a difference to dogs. After winning the public vote, Kennel Club Accredited Instructor Martha Brindley was announced as the winner at a ceremony at Crufts 2017.

ABOVE AND BEYOND
Nominations are now being sought for the 2017 KCAI Trainer of the Year Award in order to continue to celebrate the hard work of KCAI members in improving dogs’ lives.

This is a fantastic competition that recognises KCAI members that go above and beyond to make a difference to dogs. Martha, along with all of last year’s finalists, provides inspiration to fellow KCAI members and those not yet involved with the scheme in their approach and commitment to their field of training. It is vital we recognise and support these efforts in order to jointly improve the standard of dog training as a whole.

The KCAI scheme is a badge of quality ensuring that dog owners are getting a safe, knowledgeable and professional experience. With their specialist knowledge and skills, KCAI members make a tremendous difference for dogs and their owners and deserve the recognition these awards bring.

Dog owners working with KCAI members are asked to go to the KCAI Trainer of the Year webpage and nominate individuals that they believe actively make a difference to dog’s lives. A shortlist of five KCAI trainers will then be selected and put to a public vote where an overall winner will be decided.

CRUFTS CEREMONY
All five finalists will be invited to a ceremony held at the world’s greatest dog show, Crufts 2018, where their hard work will be highlighted and the overall winner announced. The overall winner of the KCAI award will receive a KCAI Trainer of the Year certificate and trophy, one year’s KCAI membership and an Amazon voucher. Dog owners can nominate online until the 27th October 2017.

If you are a dog trainer and would like to join the KCAI scheme, please visit www.thekennelclub.org.uk/kcai.

Are you an aspiring judge or perhaps an established judge looking to update your knowledge?

It is now a mandatory requirement for all aspiring Agility Judges to demonstrate that they have undertaken the necessary education and successfully passed the subsequent online examination, prior to attending a practical assessment.

**What does the Requirements of an Agility Judge resource offer?**

- Rules and Regulations video and examination
  - Kennel Club Agility ‘H’ Regulations
- Code of Best Practice for Judges and Stewards
  - Kennel Club Code of Conduct
- Practical aspects of judging including a Judges Guide to Agility Equipment

The Academy costs just £26 for one year’s access to all of the Judges Education resources.

As part of its External Affairs activities the Kennel Club runs a dog owners group KC Dog with approximately 5,000 members, which was established to monitor and keep dog owners up-to-date about dog related issues, including Public Spaces Protection Orders (PSPOs) and Dog Control Orders (DCOs) being introduced across the country.

Local authorities in England and Wales can use PSPOs, and in Northern Ireland DCOs to restrict where dog walkers can go with their dog and whether they can let their dogs off lead. For example these restrictions may specify a particular park (or area within the park) where dogs must be kept on a lead at all times, or ban dogs from a beach for specific times of year. At present there are no equivalent powers available to local authorities in Scotland. The Kennel Club works with local authorities and dog owners to highlight the importance of PSPOs and DCOs being necessary and proportionate responses to problems caused by irresponsible dog owners. It is vitally important that local dog owners respond to proposals so that orders reflect their dog walking needs.

The Kennel Club Charitable Trust’s sole purpose is to ‘make a difference for dogs’. Since its inception in 1987, the Trust has awarded over £10 million in grants by funding a wide variety of work ranging from supporting research into canine diseases to welfare initiatives and the promotion of support
dogs. The Kennel Club supports the Trust by providing all its administration, fundraising and marketing requirements. Therefore, every pound that is raised goes directly to the Trust ensuring that our canine companions and people within the world of dogs enjoy the maximum benefit. If you would like to support the Trust, there are a variety of ways to achieve this, either by postal donations, direct debit or standing order, debit or credit card, gift aid and legacy. If you would like further information, please contact The Kennel Club Charitable Trust, Clarges Street, Piccadilly, London, call 01296 318540 or go to www.kccharitabletrust.org.uk
