The June edition of the Kennel Gazette marks ten years since the revival of the magazine, and our editorial panel Chairman, Bill Moores charts the success and development of this important members' magazine over the last ten years, including a selection of our favourite front covers. We also celebrate the life of an extremely valued panel member, Gay Robertson, who sadly passed away on 16 April. We continue our series of articles regarding

provisions for pets in your Will and invite another member of our editorial panel to share their thoughts on different types of trusts available to ensure your pet is cared for after you've gone. Readers are welcome to contact the editor (kennel.gazette@thekennelclub.org.uk) with their thoughts and questions on this difficult topic. Ciara Farrell, Culture & Heritage Senior Manager, investigates an intriguing mystery surrounding a dog called Ruffie and we present highlights from the Good Citizen Dog Training scheme ring at Crufts including the heartwarming story of nine-year-old Frankie Sheridan-Hill who saw his doggy dreams come true.

In health matters, we welcome back Dr JA Samantha Goldberg BVSc MRCVS to discuss Juvenile Canine Renal Dysplasia that affects certain breeds and how to treat and manage it.

This year two breed clubs celebrate anniversary milestones, and the Dandie Dinmont Terrier Club's 150th anniversary celebrations begin with the Dandie Derby on 6-9 June, and the Soft Coated Wheaten Terrier Club of Great Britain celebrates its 70th anniversary with a Platinum Party in the Park on 8 June. If your breed club is celebrating an upcoming anniversary, please get in touch with the editor. We present the current exhibitions open in The Kennel Club Art Gallery, one of which is a special capsule exhibition celebrating 40 years of the Young Kennel Club, and encourage readers to visit our historical collections in the gallery and library.

Our breed of the month is the Irish Terrier, described as the 'gentleman's favourite' that has proved its versatility through many lifestyles. We look back at its ancient origins from the first record of when the breed was exhibited at Dublin in 1874 to its success in the show ring today, despite being on The Kennel Club's vulnerable native breeds list. We invite six judges to choose their three favourite Irish Terriers that they have judged in the

show ring in the Judges' Choice. Four breed enthusiasts share their personal stories on other activities they do with their Irish Terrier and a dog groomer clarifies how best to groom its wiry coat. We present a selection of Irish Terrier artefacts, news of the Southern Irish Terrier Society's popular summer and winter walks, the breed's presence at game fairs as well as the Irish Terrier Association's annual fun day. The Southern Irish Terrier Society Rescue Co-ordinator explains why the number of Irish Terriers needing to be rehomed is reassuringly small and the Breed Health Co-ordinator discusses how few breed specific issues there are but that they can become affected by all types of illness and diseases just like any other dog.

Kennel Club Chairman will retire after this month's AGM

Continued from page 1

He wrote: "After much reflection, I am writing to announce that I have informed the RKC Board and Executive's that at the conclusion of the AGM in June, I will be retiring as Chairman and Director of the Royal Kennel Club. This decision has not come easily, but I believe it is the right moment as I approach a 'special' birthday.

"For the last 6 years, serving the Royal Kennel Club as its Chair has been one of the greatest honours of my life. I have been privileged to work alongside some of the most dedicated, passionate, and principled individuals in the world of canine welfare, competition, and companionship.

"Your tireless commitment to our mission - to promote the health and welfare of dogs, to preserve their heritage, and to support the people who love them - has continually inspired me. Your integrity, professionalism, and deep love for what we do will carry the Royal Kennel Club into its next chapter. Though I will no longer be at the helm,

"I will remain a great supporter. I will watch with pride as the organisation continues to flourish, confident that the future is in capable and compassionate hands.

"Thank you, for your support, your camaraderie, and your unwavering belief in the work we do. It has been an honour to lead, but an even greater privilege to serve alongside you."

The Kennel Club publishes analysis of pedigree dog breed populations

The Kennel Club last month published research analysing extensive data from its pedigree records to help breeders to collaboratively protect the future of our dog breeds.

The research paper was developed based on a 30-year review of over 11 million dog registrations from The Kennel Club's pedigree database, and has been carried out as part of the organisation's commitment to safeguarding the future of pedigree dogs. The paper is the first in a series of scientific articles, and looks at trends in population sizes, the percentage of dogs used in breeding and their characteristics.

The analysis shows that the overall registered pedigree dog population in the UK is declining in size, with the decline modest, but more pronounced in the last decade. The Kennel Club, which collects dog health data and develops evidence-based tools to help breeders to make responsible, informed decisions, is concerned about this decline and its impacts on the supply of well-bred puppies in the UK. This analysis comes as recent research has also identified the supply of healthy, well-bred puppies in the UK as a major issue in canine health and welfare.

Further, the paper shows that the overall percentage of dogs used in breeding is small. Pedigree dogs are

bred selectively for predictable traits, helping potential owners to make informed choices and match a dog's care needs and temperament with their lifestyle. Thanks to extensive datasets on pedigree dogs and their health, it is

now also possible to effectively select against a number of health conditions, with recent research showing that **pedigree dogs are as healthy as crossbreeds and live longer on average.**

However, selection for any trait, even for desirable traits like temperament and health, leads to reduction in genetic diversity, already limited due to all dogs in a breed tracing back to the same 'breed founders'. The rate of loss of genetic diversity must be kept at sustainable levels to avoid population

decline – or in extreme cases eventual extinction of breed – so The Kennel Club will use this vital research to work alongside its dedicated Breed Health Coordinators to develop balanced strategies to continue to safeguard the future of the UK's 224 pedigree dog breeds.

"Pedigree dogs have many advantages because we know their ancestry and we can better predict the way that they will turn out," comments Charlotte McNamara, Head of Health at The Kennel Club. "This helps us to know how big they will grow, their exercise needs and predict the health problems they might face, and which DNA tests or assessments breeders should make use of before breeding from their dogs.

"But it also means that they are more similar to each other genetically, and so we have to consider how breed populations are monitored and managed,

as the lower the genetic diversity the greater the risk that new health conditions will begin to surface. This is true across all dogs bred selectively over generations, including the now popular 'designer crossbreeds', which have also been selectively bred for specific traits across a number of generations.

"We hope this new research, which has been conducted on a huge scale, will help to address the wider issue of the supply of well-bred, healthy puppies in the UK."

Although the analyses revealed some general trends common to pedigree dog breed populations, there were also significant differences between breeds, indicating that any strategies developed to protect dog populations must be tailored to the unique circumstances of each breed.

Dr Joanna Iliska, Genetics and Research Manager at The Kennel Club and author of the paper, commented: "We have carried out this

comprehensive analysis as part of our commitment to continually gathering and sharing information to enable us to work together to find the best answers to safeguard the future of our much-loved dogs.

"The right tools need to be used to balance both selection for health and genetic diversity"

"The right tools need to be used to balance both selection for health and genetic diversity – especially where population sizes are low – and the smaller the gene pool gets the more challenging it will be to balance responsible breeding choices with keeping a sustainable population, unless the situation is managed carefully.

"This is the next vital step on that journey, which give breeds a fuller picture to inform future action, supported by evidence. There are a range of solutions; our aim now is to work with breeders and those committed to safeguarding the breeds they love, as there is no one size fits all answer."

Charlotte added: "This analysis was only possible due to the data

that we hold for every registered dog. We remain concerned about all those dogs outside of reputable registries – whether unregistered purebred dogs or crossbreeds – about which there is no information or way of knowing if a breeder is health testing or considering genetic diversity, and which are bred without the level of health information or resources that are available for pedigree dogs. Further, as the information about these dogs is not recorded anywhere, it cannot be used for research purposes which guide the future efforts into breeding for health and welfare."

The **full analysis** was published in the Companion Animal Health and Genetics journal, and Dr Joanna Iliska – Genetics and Research Manager at The Kennel Club and author of the paper – presented the research via a free webinar on the evening of 1 May. This webinar will be available to watch back in your own time by clicking **here**.

The Kennel Club welcomes return of pet passports

The Kennel Club has welcomed the announcement that pet passports will return, as part of the UK-EU trade deal.

Dr Ed Hayes, Head of Public Affairs at The Kennel Club said: "We thoroughly support the reintroduction of the pet passport system, meaning that dogs travelling from the UK will no longer need animal health certificates for every trip – which have proved to be both costly and burdensome for pet owners, and something we have continued to raise concerns about with Government officials in the UK.

"This is a very positive step and we thank all those MPs who have kept pet travel high on the agenda with the EU, and helped to deliver a solution for dog owners."

Further information about The Kennel Club's campaign to ensure smooth pet travel post-Brexit is available on the organisation's website: thekennelclub.org.uk/brexit.

Political canine candidate Jim is crowned Holyrood Dog of the Year

As Roma emerges triumphant in the public vote

Jim, a Border Collie has been crowned winner of the prestigious Holyrood Dog of the Year competition.

Jim, who entered the event with MSP Jenni Minto, Scottish National Party MSP for Argyll and Bute, impressed the judges with his loveable character as well as his strong bond with MSP Jenni Minto.

The seventh Holyrood Dog of the Year competition, organised by The Kennel Club and Dogs Trust, took place on 28 April outside the Scottish Parliament, Edinburgh. MSPs across all parties were invited to take part, but ultimately Jim showed dogged determination as he battled it out to defeat 12 other 'paw-litical' opponents to win the coveted title of Holyrood Dog of the Year, arguably the most sought-after accolade in Scottish politics.

Winning MSP, Jenni, said of their winning moment: "I'm really pleased, Jim means so much to me. He's the most loving dog and I'm really happy for him because I think he has got such a nice personality and, as an MSP, knowing I've got Jim to get back to is so good for my wellbeing and I love him to bits."

This year's competition was about celebrating dogs as members of the family, highlighting the vital role that dogs play in so many households. Dogs are considered a family member, no matter how big that family is, whether it consists of adults and children or a human and their dog and Dogs Trust and The Kennel Club believe that everyone should be able to benefit from the unique human-animal bond and happiness that

dog ownership can bring. The event encouraged an open dialogue on dog welfare issues, as well as providing an opportunity for MSPs to meet with experts to discuss all aspects of the canine world.

The judging panel – Helen Kerfoot, Chief Canine Health, Events and Activities Officer at The Kennel Club; Sue Murphy, Dogs Trust Trustee; and Marie McNair MSP, 2024 winner of the Holyrood Dog of the Year with Biewer Terrier, Heidi - spent the morning with dogs from different political persuasions and ambitions.

Commenting on the reason Jim was selected as the 2025 Holyrood Dog of the Year, Helen Kerfoot, Chief Canine Health, Events and Activities Officer at The Kennel Club said: "Congratulations to Jim and Jenni for being crowned the seventh winners of Holyrood Dog of the Year! It was a difficult choice as there was such strong competition this year, so we'd like to thank all those who took part."

"There was such strong competition this year, so we'd like to thank all those who took part"

"Dogs are known as man's best friend for a reason and Holyrood Dog of the Year is a fantastic way to celebrate these special relationships, as well as raising awareness of the issues currently affecting the nation's dogs."

Claire Wilson-Leary, Public Affairs Manager at Dogs Trust added: "Thanks to all the MSPs and their canine companions for taking part in Holyrood Dog of the Year and many congratulations to Jim and Jenni for taking home this year's title."

"As all dog owners know, there is nothing quite like the love, loyalty and devotion you experience when you

welcome a dog into your family, and today's event is all about celebrating the unique and special bond we have with our amazing canine friends."

Leading the opposition in second place was Kura San, a Flat Coated Retriever, owned by Tess White, Scottish Conservative and Unionist Party MSP for North East Scotland, while third place was awarded to Buster, a Dogs Trust rescue dog, accompanied by Jamie Halcro Johnston, Scottish Conservative and Unionist Party MSP for Highlands and Islands.

Prior to the event, MSPs entering the competition campaigned hard, canvassing for votes from the public via an online vote before meeting the expert judges to share their dog's heroic deeds and acts of devotion. Winner of the 'pawblic' vote was announced as Roma, a Labrador Retriever, with Craig Hoy, Scottish Conservative and Unionist Party MSP for South Scotland.

Craig Hoy MSP, winner of the 'pawblic' vote said of their win: "Roma has been an absolute star today and we are delighted to win the pawblic vote. I know Roma through the local pub where she is very popular. Dogs provide such companionship and ease feelings of loneliness and pubs are great places for bringing people together."

Vulnerable British and Irish Native Breeds competition returns in 2025

Heats for The Kennel Club Vulnerable British and Irish Breeds competition have begun to take place and, as in previous years, will culminate in a grand final at Crufts 2026.

The Kennel Club launched the competition in 2015 to raise awareness of vulnerable British and Irish native breeds, as well as recognising those people who are dedicated to their survival and prosperity. In 2025, there are 39 that breeds fall into this category, having generated 300 or fewer puppy registrations in the UK in the previous year. Since last year, the Bedlington Terrier, Bullmastiff, Old English Sheepdog and Welsh Terrier have now joined the list as vulnerable breeds.

The competition continues to be popular at Crufts and in March 2025 a two-year-old Irish Wolfhound called Tozie (Ch Caredig Mafioso), owned by Debbie Tebbutt, and handled by husband Roger Tebbutt, was chosen as the winner, judged by Graham Hill.

As in 2024, only the Best of Breed winners at designated championship shows this year will qualify for the final and the competition is open to all vulnerable British and Irish breeds

competing at the following championship shows:

- 29 March 2025, United Kingdom Toydog Society
- 5 April 2025, National Terrier Club
- 12 July 2025, National Working and Pastoral Breeds Society
- 19 July 2025, Hound Association
- 3 August 2025, National Gundog Association

Dogs who win Best of Breed at the above shows and are on The Kennel Club's Vulnerable British and Irish breeds list will qualify for the competition and will be invited to compete in the grand final at Crufts 2026. In cases where the Best of Breed winner is unable to compete in the final, the Best Opposite Sex winner will be invited.

Tom Mather, Crufts Chairman said: "The Vulnerable British and Irish Breeds competition final is a very important event at Crufts as it's a wonderful way to

highlight just how special these vulnerable breeds are. We must support these lesser-known breeds as they could be the perfect fit for certain owner's lifestyles but are being overlooked in favour of other breeds that might not be, simply because they are not as well-known.

"Congratulations to the winners who have qualified so far from both the UK Toy and National Terrier championship shows and good luck to those exhibitors competing with their vulnerable native breeds at National Working and Pastoral Breeds Society, Hound Association and National Gundog Association during the summer months."

"We must support these lesser-known breeds"

All Crufts 2025 finalists will be contacted by The Kennel Club in December 2025.

The Kennel Club welcomes Tower Hamlets' updated dog walking measures

The Kennel Club has welcomed new measures, introduced by Tower Hamlets Council, which promote responsible dog ownership across the borough, and will continue to allow dogs to play off-lead in parks and green spaces.

The Public Spaces Protection Order (PSPO) recommendations followed an extensive consultation with local residents, as well as cross-welfare organisation lobbying led by The Kennel Club, alongside Dogs Trust and Battersea, after initial proposals put forward by the Council raised fears of a blanket on-lead directive being introduced across all public spaces, deemed by many local residents and charities to be overly restrictive.

Instead, dogs can continue to play off-lead across all parks and green spaces, with a new "dogs on lead by direction" measure introduced – meaning all dog walkers must put and keep their dog on a lead if asked by an authorised officer. Other measures outlined are the exclusion of dogs from gated children's play areas and sport areas, a requirement for dogs to be on leads near roads, pavements and communal areas on estates, and a dog fouling prohibition.

Dr Ed Hayes, Head of Public Affairs for The Kennel Club said: "We commend Tower Hamlets Council for striking a fair and reasonable compromise for all local residents, while still guaranteeing owners can continue to exercise their dogs safely and responsibly.

"We would also like to thank all the dog lovers who responded to the consultation and ensured their views were heard, which has proved to be crucial in ensuring that this PSPO takes into account the needs of the dog owning community."

The Kennel Club Art Gallery Unveils New Capsule Exhibition: Minority Spaniels

The Kennel Club Art Gallery is proud to present its latest capsule exhibition, Minority Spaniels, a striking photographic showcase by emerging photographer, Melody Fisher.

Born into the world of dog showing, Fisher developed a deep appreciation for minority spaniel breeds within the Gundog Group and became a Young Kennel Club member, where she gained hands-on experience handling and showcasing a variety of breeds. Alongside her love for dogs, she nurtured a passion for photography, which led her to study for a Bachelors in photography and build a successful career capturing canine subjects.

Over the past year, Fisher has travelled across the UK to document the Clumber Spaniel, Field Spaniel, Sussex Spaniel, Spanish Water Dog and Welsh Springer Spaniel, breeds that The Kennel Club classifies as vulnerable due to their declining registration numbers. Through her lens, she highlights their working ability and movement in the field, as well as their elegance in the show ring.

The exhibition also includes photographs of the Lagotto Romagnolo, a breed which has recently gained notability due to the King welcoming a Lagotto puppy into the Royal household.

Photographer Melody said: "I chose to focus my project on minority spaniel breeds to raise awareness of their versatility, both in competition and in their traditional roles. With numbers in decline, I hope this exhibition highlights their remarkable attributes and encourages more people to discover these wonderful breeds."

Heidi Hudson, Curator of Photographic Collections at The

Kennel Club, commented: "We are excited to showcase photographic work by Melody Fisher, a previous Young Kennel Club member. It's great to see how young people growing up in the world of dogs with a keen interest in photography can grow their careers from hobbyists to professionals.

"Melody has an excellent eye for dog photography and has created an engaging portfolio of various breed photos. One of my favourite photos from her Minority Spaniels capsule exhibition is the Two Clumbers Charging Through The Lavender - it has a sense of play and light-heartedness, yet captures beautifully the colours and composition of the dogs in the purple colours."

The Kennel Club Art Gallery is a world class collection of art and artefacts about dogs. Situated in Mayfair, London, Situated in Mayfair, London, it's open by appointment to all art lovers with an interest in dogs and welcomes visitors from all over the world.

The exhibition is free to enter and open to the public until June 27 at The Kennel Club Art Gallery, 10 Clarges Street, Mayfair, W1J 8AB, from 9.30am to 4pm.

The Kennel Club introduces new Junior Award and Rally Veteran Warrant

As part of our commitment to recognising and encouraging participation in canine activities, The Kennel Club is pleased to announce the introduction of two new awards for the dog showing and rally communities: the Junior Award (JA) and the Rally Veteran Warrant (RVW).

For the showing community, the Junior Award (JA) will be available to all breeds not allocated championship status (non CC breeds and those breeds on the Imported Breed Register). A dog can achieve a JA through winning awards at open and championship dog shows, when the dog is aged between 6 and 18 months of age. Once achieved, the dog can be entered with the title 'JA' after its name on show entries.

To achieve a Junior Award the dog must gain 20 points - A minimum of 3 points must be won at championship dog shows and a minimum of 3 points from open shows, the rest of the points can be gained from either open or championship dog shows. Points are achieved by winning classes with at least one other dog competing. Any award points gained from 1st July 2025, whilst the dog is between 6 and 18 months will count towards the Junior Award. Points for this award will begin in July to provide advance notice for exhibitors to plan their show calendars if this award is of interest to them.

For the rally community, the Rally Veteran Warrant (RVW) is for veteran dogs aged seven years and over. Points can be accumulated from any veteran rally class only, where qualifying scores are achieved. Upon receipt of the award, exhibitors may enter their dogs with the title 'RVW (B/S/G)' depending on the level they have achieved, Bronze (B), Silver (S), or Gold (G) this

can be added after the dog's name in competition entries.

The requirements for the three levels of warrant, Bronze, Silver, and Gold are:

- **BRONZE** 9 qualifying scores in Veteran classes
- **SILVER** 12 qualifying scores in Veteran classes,
- **GOLD** 18 qualifying scores in Veteran classes, of which at least 3 must be Excellent

Any awards gained in rally veteran classes can be backdated to 1 January 2024 when the veteran classes were first introduced.

Helen Kerfoot, Chief Operations Executive, Events and Activities said; "As part of our focus

on our grassroots communities, these new awards are designed to celebrate achievements within dog showing and rally and provide additional goals for competitors to strive forwards in their chosen disciplines.

In line with our other awards, competitors will be able to apply for these new accolades through the awards application forms. Once an application is approved and processed, the dogs record will be automatically updated with the appropriate letters, and a digital certificate will be issued by email. For those who also desire a hard copy alongside the digital certificate they will be available to purchase through The Kennel Club shop."

3. To fine her the sum of £100.00 [A11 j (3)]
4. To disqualify her from exhibiting at, taking part in, attending and/or having any connection with any event licensed by the Club. If any person disqualified under this sub-paragraph shall attend any canine event whilst disqualified the General Committee shall have the power to increase the period of disqualification [A11 j (4)]
5. To disqualify her from being or becoming a

member of any canine club or society registered with or affiliated to the Kennel Club [A11 j (5)]

6. To disqualify her from acting as an Officer or serving on the Committee of any canine society [A11 j (6)]
7. To disqualify her from taking part in the management of any event licensed by the Club [A11 j (7)]
8. To disqualify her from judging at any event licensed by the Club [A11 j (8)]

The suspensions and disqualifications are to be for a period of one (1) year from 27 March 2025.

The Committee, following the impositions of these penalties, would draw the attention of the Respondent/s to the effect of Rule A11 sub-sections l and n.

The postings from Ms Watkins, show a disregard for breed showing with offensive comments directed towards breed show judges/judging. The Committee was troubled by the language used and that the comments were generally indefensible. The Committee were further disappointed by the fact that Ms Watkins failed to heed the warning given by others involved in the discussion thread about her comments. Ms Watkins comments cast aspersions and inferences about the integrity of judges – that is never acceptable way to express disagreement or disappointment over judging decisions.

In correspondence with the Kennel Club, Ms Watkins showed no contrition, remorse or apology.

There is a degree of personal responsibility in how everyone uses social media and the way in which people express a personal opinion.

The penalty imposed is intended to firmly reflect that the online comments were considered to be at an unacceptable level in the context of Kennel Club licensed events and breed show judges/judging generally.

Personal opinion is absolutely respected. It is not difficult to express a disagreement in a respectful, constructive or a rationalised way. Where such opinion is expressed in ways which hurt, cause distress and are well beyond the bounds of respectful engagement – this committee will bear down heavily and give the appropriate sanction.

Disciplinary Committee

27 March 2025

Mr Steve Whitehouse

The Committee having carefully considered the evidence, find that the complaint brought under Kennel Club Rule A11 a (1) (b) against Mr Steve Whitehouse namely that he behaved discredibly or prejudicially to the interests of the canine world in posting denigrating and undermining remarks on social media including extremely offensive and homophobic comments, is upheld.

The Committee impose the following penalties:

1. To warn him as to his future conduct [A11 j (1)]
2. To censure him [A11 j (2)]
3. To disqualify him from exhibiting at, taking part

in, attending and/or having any connection with any event licensed by the Club. If any person disqualified under this sub-paragraph shall attend any canine event whilst disqualified the General Committee shall have the power to increase the period of disqualification [A11 j (4)]

4. To disqualify him from being or becoming a member of any canine club or society registered with or affiliated to the Kennel Club [A11 j (5)]
5. To disqualify him from acting as an Officer or serving on the Committee of any canine society [A11 j (6)]
6. To disqualify him from taking part in the management of any event licensed by the Club [A11 j (7)]
7. To disqualify him from judging at any event licensed by the Club [A11 j (8)]
9. To disqualify him from effecting registrations of any or all dogs and/or progeny of such dogs which are owned and/or registered by him (whether or not jointly owned and/or whether or not owned and/or registered in the name of a nominee) [A11 j (9)]

The suspensions and disqualifications are to be for the period of Life from 27 March 2025.

The Committee, following the impositions of these penalties, would draw the attention of the Respondent to the effect of Rule A11 sub-sections l and n.

The Committee determined that the postings from Mr Whitehouse, show an utter disregard for breed showing and the canine world generally. The language used was extreme and directed towards other participants and judges in the breed show world. The comments were indefensible and have no place in the canine world.

The Committee noted that Mr Whitehouse had not engaged with the Kennel Club in respect of the complaint, and he had provided no response.

There is a degree of personal responsibility in how everyone uses social media and the way in which people express a personal opinion. The Committee noted that some posts were within the bounds of personal opinion, however there were multiple posts clearly linked to breed showing and the canine world generally.

The penalty imposed is intended to firmly reflect that the online comments were considered to be at a wholly unacceptable level both in the context of Kennel Club licensed events and involvement in the canine world generally. Additionally, the Committee felt strongly that they were clearly not appropriate given Mr Whitehouse's capacity as a Kennel Club approved judge.

The Disciplinary Committee is going to continue to drive home and ensure that social media engagement in the ambit of the Kennel Club licensed events must be, within the realms and bounds of reasonable and respectful activity. Those who engage and cross that boundary should expect censure and sanction at a grave and serious level.

That was the principle applied in this case.

KENNEL CLUB RULE A12

Disciplinary Committee

24 April 2024

Kennel Club Rule A12

The Committee having carefully considered the conviction of Mrs Catherine Clark of Chesterfield, Derbyshire from Chesterfield Magistrates' Court on 10 October 2024 for offences under the Animal Welfare (Licensing of Activities Involving Animals) (England) Regulations 2018 of failing to ensure that a bitch did not give birth to more than one litter of puppies in a 12-month period of a licence and failing to ensure that all advertisements for the sale of a dog included the number of her licence; and an offence under the Animal Welfare Act 2006 of breeding dogs and advertising a business of selling dogs without the authority of a licence.

The Committee impose the following penalties:

1. To warn her as to her future conduct [A11 j (1)]
2. To censure her [A11 j (2)]

The Committee warn Mrs Clark as to her future conduct in particular as regards not further breaching any legislative requirements relating to the breeding and sale of dogs.

The Committee noted that Mrs Clark pleaded guilty to charges of failing to ensure that a bitch did not give birth to more than one litter of puppies in a 12-month period of a licence, failing to ensure that all advertisements for the sale of a dog included the number of her licence, and breeding dogs and advertising a business of selling dogs without the authority of a licence. The Court imposed a fine.

Mrs Clark accepted responsibility and paid the fine.

Mrs Clark is not a high-volume breeder and provided mitigation to the Committee that the respective mating which occurred was accidental whilst Mrs Clark was abroad.

The Committee's view was that the fine received from the Court was a sufficient and proportionate penalty for Mrs Clark and that a warning and censure from Committee was appropriate in this case.

The Committee would remind all breeders of the importance of adhering to licensing conditions and all legislative requirements for the breeding and sale of dogs.

CC allocation – entry rolling averages

Below is the 2024 average entry and 5 year rolling average (2019-2024), providing an indication of what these average entries could mean for the CC allocation in the future (although this will not be reviewed until January 2027). The covid year 2020 are not included in the averages as a full calendar of shows did not take place. These figures will act as a guide to breed clubs on the direction of potential future CC allocation.

For details of the average entries used in determining the 2024–2028 CC allocation, please visit
