MEET YOUR JUDGES

Open Show Judge: Lorraine Bolton (Rikarlo)

I am a third-generation dog lady. I started at 10 in Junior Handling with my grandmother's GSDs. I won my first CC at 14 with a homebred Norwegian Elkhound in 1972. I have owned and bred Champions and CC winners in 5 breeds, including internationally. I awarded my first set of CCs in 1984 and judged my first Rough Collies in 1985. My interest in Rough Collies started with a good friend who owned a delightful tricolour bitch bred by John Blake and I have followed them for the intervening decades. I would like to thank the Midland Collie Club for this great honour.

Special Award Classes Judge: Alex Mills (Lemivee)

I've had Rough Collies in my life since age 13 - my first Collie "Dallas" (Lynmack Starman at Lemivee) came from the Lynmack kennel bred by Linda McCormick (now Williams) bought as a pet before I had discovered the world of dog showing. Our second shortly followed, "Eevee" (Lynmack Sweet Amber).

My first introduction to the showing world was a short year later when I went to spectate an Open Show judged by Linda herself, this is where I first got the bug and started attending ringcraft classes. I ventured out to my first Open Show aged 15 where I learnt more and more about the breed, showing and handling.

For a few years I sparingly showed as admittedly my hobby was put on the back burner whilst I studied for my BSc Hons. Once I graduated and moved back home and my love for the show ring reignited. I decided to create my own affix in 2022 "Lemivee" and shortly after I started my hunt for my next show Collie. I'd known of the Hanvale kennel for some years before and got in contact with the Walders and after a year wait a litter finally arrived and this is when "Connie" (Hanvale Edina Monsoon at Lemivee JW) was introduced. I'd say this is when I started taking the hobby more seriously; I worked on my handling, grooming, attended BADs and learnt more and more all supported by the Walders who have helped me enormously over the years.

I'd always known I wanted to have my own litter so after I had achieved my JW with Connie, I set out to do exactly that, which brings us to 2025 when my first Lemivee litter arrived, and "Robyn" (Lemivee Connie's Songbird) was my pick.

Over the last 10 years I've learnt so much about the breed and I am still learning week by week. I'd like to thank Midland Collie for offering me this appointment and this opportunity to continue progressing my knowledge of our lovely breed.

USE OF ELECTRICAL EQUIPMENT AT SHOWS: The Royal Kennel Club is concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers, hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

SECURITY AT SHOWS: The Royal Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows.

The Royal Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.
